Date, place:

Introduction

The Pre-College Program (operated by Technikum Wien GmbH) offers a possibility for Chinese students to acquire necessary entrance requirement competences to apply for Bachelor studies at the University of Applied Sciences Technikum Wien in Vienna or other Austrian universities according to their admission requirements. The completion of the program will not guarantee admission to the degree programs offered at the University of Applied Sciences Technikum Wien but will prepare participants in content areas necessary for the placement test for admission to one of the Bachelor programs that includes problems from these fields of knowledge: German, Mathematics, Physics, Informatics, Electrical engineering, Biology and English.

Program:	Pre-College Program Extended
Duration:	2 academic years
Place of study:	University of Applied Sciences Technikum Wien, Vienna, Austria,
Total Credits:	62 ECTS
Number of Students:	30
Language of Instruction:	German (English)
Start of Program:	July 2019 (distance learning) October 2019
Tuition Fee:	Euro 12.500

Admissions Requirements

Admissions Requirements for Pre College Program ex UAS Technikum Wien

- Completed Application Form
- Motivation Letter and CV in German or English
- Valid upper secondary school leaving certificate after 12 years of school
- Proven competence in German A2 (in exceptional cases: can be acquired during PCP)
- Minimum 4 years of English
- Originals and translations of all documents into German or English certified by a notary.
- Original German and/or English documents are accepted.
- Valid visa for Austria before the start of the program
- **One of the 5 Basic Requirements** for a Bachelor program is applicable (**see below**)

Admissions Requirements for Bachelor programs at UAS Technikum Wien

Basic Requirements:

1. Proof of appropriate University Entrance Examination together with successful completed PCP
or
 2. Proof of appropriate University Entrance Examination with proof of acceptance by or admission to a regular university.¹
or
 3. Proof of at least 1 year at a regular university
or
 4. Graduation certificate of a technical Junior College²
or
 5. Acceptance letter of a regular university (no Junior colleges) for a self-taught study³
- Proven competence in German B2 (should be acquired during PCP)

¹ Please note that after the completion of the PCP all necessary requirements for admission to a Bachelor Program at an Austrian Institution of Higher Education must be fulfilled, i.e. German language competence B2 and proof of acceptance by or admission to a regular Chinese university. For details please refer to OeAD

https://www.oead.at/projekte_kooperationen/projekte_netzwerke/evaluation_centre_asia/important_notice/

In certain cases supplementary examinations have to be taken. At the University of Applied Sciences Technikum Wien these supplementary examinations are taken as part of the Pre College Program.

² The studies taken must be subject related to the bachelor program applied for.

³ After finishing successfully the PCP and the B2 test these students can only apply for a bachelors program at UAS Technikum Wien.
