

APPLICATION FORM FOR

- ☐ PRE COLLEGE PROGRAM (2 semesters)
- ☐ PRE COLLEGE PROGRAM extended (3 semesters)
- ☐ PRE COLLEGE PROGRAM extended (4 semesters)
- ☐ PRE COLLEGE PROGRAM ENGLISH (2 semesters)

Please fill in the following using **BLOCK CAPITALS**

Given Name:	Picture of applicant (same as passport)
Surname (Family Name):	
Name written in native alphabet:	
Date of birth (dd/mm/yyyy):	
Gender: <input type="checkbox"/> Female <input type="checkbox"/> Male <input type="checkbox"/> Diverse	
Passport Number:	
Citizenship:	
Place of birth (city, country):	
Email: _____ @ _____	
Telephone / Mobile number:	
Address - Street (English):	
Address - Province/town (English):	
Address - Postal Code:	
Address - Country:	
Address in native alphabet:	
German knowledge: <input type="checkbox"/> None <input type="checkbox"/> Basic (A1) <input type="checkbox"/> Intermediate (A2) <input type="checkbox"/> Advanced	
Grade / Points of university entrance exam in home country:	
Date of university entrance exam:	
Previous studies:	
Name of University or Junior College:	

I am interested in the following fields of study (see list on page 4):

	Field of Study
First Choice	
Second Choice	
Third Choice	

Signature of Applicant:

Date, place:

Introduction to the PCP 2 semesters

The Pre College Program (operated by Technikum Wien GmbH) offers a possibility for international students to acquire necessary entrance requirement competences to apply for Bachelor studies at the University of Applied Sciences Technikum Wien in Vienna or other Austrian universities according to their admission requirements. The completion of the program will not guarantee admission to the degree programs offered at the University of Applied Sciences Technikum Wien but will prepare participants in content areas necessary for the placement test for admission to one of the Bachelor programs that includes problems from these fields of knowledge: German, Mathematics, Physics, Informatics, Electrical engineering, Biology and English.

Program:	Pre College Program
Duration:	1 academic year
Place of study:	University of Applied Sciences Technikum Wien, Vienna, Austria,
Total Credits:	42 ECTS
Number of Students:	60
Language of Instruction:	German (English)
Start of Program:	July (self study phase) October (classes)
Tuition Fee:	Euro 8,200

Admission Requirements for Bachelor programs at UAS Technikum Wien

In addition to the Basic Requirements (see above) students need

- **One** of the following five requirements
 1. Proof of appropriate University Entrance Examination together with successful completed PCP
or
 2. Proof of appropriate University Entrance Examination with proof of acceptance by or admission to a regular university.¹
or
 3. Proof of at least 1 year at a regular university
or
 4. Graduation certificate of a technical Junior College²
or
 5. Acceptance letter of a regular university (no Junior colleges) for a self-taught study³

- Proven competence in German B2 (should be acquired during PCP)

or for English Bachelor programs: Proven competence in English B2 (should be acquired during PCP)

¹ Please note that after the completion of the PCP all necessary requirements for admission to a Bachelor Program at an Austrian Institution of Higher Education must be fulfilled, i.e. German language competence B2 and proof of acceptance by or admission to a regular university. For details please refer to OeAD

<https://oead.at/en/to-austria/studying/>

In certain cases supplementary examinations have to be taken. At the University of Applied Sciences Technikum Wien these supplementary examinations are taken as part of the Pre College Program.

² The studies taken must be subject related to the bachelor program applied for.

³ After finishing successfully the PCP and the B2 test these students can only apply for a bachelors program at UAS Technikum Wien.

Field of Study (Bachelor Degree Programs)

- Biomedical Engineering
- Business Informatics
- Computer Science
- Electronic Engineering
- Electronics and Business
- Information and Communication System and Services
- International Business and Engineering
- Mechanical Engineering
- Mechatronics/Robotics
- Sports Equipment Technology
- Smart Homes and Assistive Technologies
- Urban Renewable Energy Technologies

Field of Study (English Bachelor Degree Programs)

- Electronics and Business
